		Organizations operating under normal organization structure with enhanced organizational response protocols.	
		As of April 6, 2020, ECAT continues to operate a modified (reduced) service schedule, and implemented no fares and rear-boarding policies to comply with social-distancing recommendations.	

		ECAT continues social-distancing, encouraging use of facial masks, gloves and limiting ridership to more than 10 passengers per unit.	
		ECAT continues to operate a modified service schedule. Service to Pensacola Beach was resumed on May 4, 2020.	
		ECAT continues modified service, no-fares and rear boarding. Encouraging, use of face coverings and maintaining social distancing.	
ESF 1 Transportation:	Minor Issues	ECAT continues limiting ridership to no more than 10 persons per unit, rear-door entry, no fares and encouraging use of facial masks. On June 1, 2020, ECAT began making facial masks available to customers and encouraging customers wear facial masks at all times.	07/02/2020 16:21:19 by Vincent Barnes
		ECAT ridership is increasing but staff is still encouraging rear-door boarding, social-distancing with no fare collection. Buses are disinfected during layovers and at the end of the shift. ECAT building and facilities are frequently disinfected throughout the day. ECAT Operators are required to wear face coverings while operating buses. One ECAT employee has tested positive for COVID-19 and is at home under quarantine.	
		ECAT notified the public that service will operate during peak hours (6am-10am and 2pm-6pm) effective June 22, 2020. The reduction in service hours is a result of several staff under quarantine.	
		On Tuesday June 30th, ECAT resumed a modified service schedule.
