Dear Mayor Hammond:

Escambia County has received indications that the Town of Century wants to terminate its interlocal agreement with the County regarding the provision of code enforcement services. While the interlocal agreement provides for termination by either party upon 90 days written notice, the County will not recognize any termination that does not fully comply with the requirements of the interlocal agreement. Accordingly, for the County to recognize a termination of the interlocal agreement, the Town must comply with the following steps:

1. The Town must provide 90 days written notice of its intent to terminate the interlocal agreement to me by first class mail.
2. The Town must also provide me with a copy of the Town Council minutes that demonstrates their intent to terminate the agreement.
3. After 90 days, a notice of termination must be recorded with the Clerk of Court.

Sincerely,

George Touart  
 County Administrator
