Information to Educate Florida Residents on HB 7189

Tallahassee, FL – State Representative Dave Murzin (R-Pensacola) and other Representatives have received questions regarding House Bill 7189, a measure that provides performance-based pay for teachers. Representative Murzin realizes that many Floridians are receiving inaccurate information about the provisions of this bill and some clarity is needed.

Representative Murzin wants to point Floridians to reliable sources of accurate information on HB 7189. The information may be obtained at the following four sites:

- The Florida House Majority Office has information on HB 7189 at the following links [RewardingExcellentTeachers.com](http://www.rewardingexcellentteachers.com) and <http://www.myfloridahouse.gov/Sections/LeadershipOffices/MajorityLeadership/MajorityLeader.aspx>.
- The Florida Chamber has created a new website contrasting facts and myths about HB 7189. The information may be found at <http://www.classroomflorida.com>.
- Former Governor Jeb Bush's organization, Foundation for Florida's Future, also has information on their web page http://www.afloridapromise.org/Pages/About_Us.aspx.
