Subject: **Wish list from Community Association**

Dr. Wu,

I've checked with my board and these are our main concerns:

Traffic issues on Langley, Leesway & Hilltop (speeding)

The need for a designated school zone along Cherry Laurel (and perhaps to include Homewood and Hibiscus) and improvements to the school zone on Langley

Improvements to the crosswalks in front of Optimist Park, including increased signage along the lines of the "State Law to stop for pedestrians" signs and/or caution lights

A sidewalk that runs from Hibiscus to Hilltop along Cherry Laurel (this area is **extremely** dangerous in the mornings and afternoons)

A sidewalk down Hilltop from Overlook to Creighton

The equipment in the park on Reynosa is in need of immediate attention

Increased police presence in our neighborhood (to coincide with and enhance our efforts through the Neighborhood Watch)

Water fountain in Eastgate park- citizens request.

Playground equipment in Elizabeth Peaden Park
