Attached is the preliminary plat of the Maritime Park property. The final plat is still be finalized and should be recorded about mid-April. Attached is the survey for the Maritime Place leased parcel. It is the only survey of an individual parcel that we currently have.

Ed Spears, whose contact information is below, does have a survey of the entire Maritime Park (not the individual parcels), however, it is not in an electronic version. Please contact him directly if you need the survey.

Thanks, Mandy
