Connie Cruz with Management and Training Inc based in Utah sent me a text over the weekend wanting to see if George or others could meet with their bond person between 10:30 and 2:00 either Tuesday or Wednesday. Lunch over those times would work too. Her number is 801-643-8648

I just talked briefly with the subject of the 6/13 meeting at 4:00 pm and that time is looking like it will work for them.
