ATTENTION: All citizens of the Wedgewood, Rolling Hills and Olive Heights neighborhoods. We are being **poisoned** by the **chemicals and toxins** that are being dumped in the pits surrounding our homes, schools, churches, community center and ball parks.

PLEASE join your neighbors as we rally against this injustice. ALL of our lives are at stake.

WHEN: Thursday, June 26th at [4.00 p.m.](#)

WHERE: 221 S. Palafox Street at the corner of Government Street (The Escambia Commissioners Chambers).

Wear **ORANGE** to show our unity.

Tell the commissioners **we will not** take this injustice anymore!

So many of us are sick or have family members that are dying or have died because of the toxins in the air and in our water.
