NOTICE: Florida has a very broad public records law. As a result, any written communication created or received by City of Pensacola officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

It is a shame that the access to public records is abused like this and sadly it builds the case for limiting this important right of the citizens. Any idiot can ask for anything they want and the taxpayers have to pay for it to be supplied or as here for your time trying to find something. There are no records that would be responsive to this request of which I am aware.
