Keith Wilkins, Director  
Community & Environment  
221 Palafox Place  
Pensacola, FL 32502

Dear Mr. Wilkins,

The Escambia County School District has received a complaint from an employee concerning the Rolling Hills Landfill. This employee holds many classes outside and is exposed to environmental elements on a regular basis. Could you please provide or facilitate the district in getting copies of any air quality studies that have been completed at the landfill? Thank you for your prompt response to this matter. Please feel free to contact me with any questions or concerns.

Thank you,

A handwritten signature in blue ink, appearing to read "Jennifer Foss", is written over the typed name.
