Yes - we are cancelling the faculty meeting for today. We will reconvene on Tuesday of next week.

Points to ponder in lieu of meeting:

1. Open House - please have students police/clean rooms, etc. before dismissal. It helps with Open House in case cleaning doesn't get to bldg. before Open House. It also helps with dismissal and overall appearance of bldg.
2. Bathrooms - unless a student has legitimate medical need or is in dire straits of having an accident, please do not let students out of class to go to restroom. They are vandalizing the MS restrooms and other parts of the bldg. DO NOT LET OUT OF CLASS for any reason.
3. I will be out Wed. afternoon and all of Thursday in Tallahassee for Five Flags meeting.
4. Seniors last day will be Friday - some will need every minute of time before being cleared to walk. Please be responsive as the school grade and your spot are impacted by graduation rate.
5. Appreciation of each others efforts. We have all pitched in to make the best of a bad situation and have six and one half days left until students leave. It is crucial that we continue to assist, step in, and help as we must make it through.

Thanks,

John
