Brandi,

The Council of Neighborhood Association Presidents of Pensacola voted unanimously against any changes to the R-2 Zoning District which would allow the inclusion of Personal Service Shops. The Zoning Map that you provided, along with the sections of the municipal code pertaining to R-2 and R-NC districts were sent to every registered neighborhood association and none supported any further commercial intrusion into the residential districts.

Thank you for passing this information to the Planning Board members and thank you again for providing us with the city-wide map of R-2 zones.

Sincerely,

Melanie Nichols, Secretary
Council of Neighborhood Association Presidents of Pensacola (CNAPP)
