PRESS RELEASE

The Escambia County Property Appraiser (ECPA) issues the following statement regarding its review of the anonymous complaint involving the homestead tax exemption of property owned by Representative Mike Hill and Greta Hill, as tenants by the entireties, and located at 6080 Forest Green Road in Pensacola, Florida.

Representative Hill and his wife recently responded to requests of the ECPA for the additional information necessary to review the homestead tax exemption of their property. Their response included affidavits of Representative Hill, his wife, and their daughter, correspondence from their legal counsel, and an application for homestead tax exemption submitted by Greta Hill. The application included the permanent residency information for Ms. Hill as required under section 196.015, Florida Statutes (2016).

Based upon review of the additional information, the ECPA concludes that the homestead tax exemption of the property complies with Florida law based upon the permanent resident status of Greta Hill, as specified in section 196.031, Florida Statutes (2016).

This matter is now concluded.
