PRESS RELEASE – Amalgamated Transit Union Local 1395, AFL-CIO co-endorses Boyce White, Greg Litton and Robert Bender for Escambia County Commissioner, District 4 Republican primary.

Pensacola – On Sunday, July 10, 2018 the Executive Board of the Amalgamated Transit Union Local 1395 which represents the Transit workers of Escambia County Area Transit (ECAT) and Escambia County Community Transportation (ECCT) voted unanimously to co-endorse and support Boyce White, Greg Litton and Robert Bender, Republican candidates for Escambia County Commissioner, District 4 during the primary. The Union found all six candidates to be very positive concerning Mass Transit issues. But, during our interview process, it was clear that these three candidates stood out. “Boyce, Greg and Robert clearly caught our attention, with each having some very strong abilities to lead District 4 and their positions on Mass Transit” stated Michael Lowery, President / Business Agent of the Amalgamated Transit Union Local 1395.

The Executive Board of the Union felt each one of these candidates had very strong attributes and positions that would be beneficial in the position as County Commissioner. The voting was so close by the ATU Board that the officers of the Union decided to co-endorse rather than just endorse one candidate. Lowery added, “I personally couldn’t choose between Boyce, Greg or Robert. I found each to be highly qualified and as a constituent who lives in district 4, I look forward to the future of my community.”

The Union plans to reevaluate the race after the primary and look at an endorsement going forward in the General Election.
