 4-16-18 I investigated the complaint and found a Grover Robinson for Mayor sign in the right of way along the Gregory St. side of the park. I removed the sign. A verbal warning was given to the candidates staff by phone. This case is corrected. RL

4-17-18 I investigated the complaint but did not locate any signs on G St. from Garden to Wright St. I had a 311 complaint yesterday where there was a Grover Robinson for Mayor sign at the corner of Gregory and G St., I removed that sign on 4-16-18, this case is unfounded. RL

Howard Lewis:
 4-17-18 The sign is actually on private property. I will have to check with the property owner to confirm they allowed the sign to be placed on the property. RL
- Apr 17, 2018 3:52pm

Derek Cosson:
 The lot is vacant — 12-4-6(D)(f) says "No political sign shall be placed on a vacant lot or on a lot with a uninhabited primary structure unless a letter from the property owner is on file with the inspection division indicating that permission has been granted." — so there should be a letter on file with Inspections if there is permission
- Apr 17, 2018 4:17pm

Steve Richards:
 The officer is following up with Inspection Services in the morning to verify if a letter is on file. SRichards

4-18-18 I investigated the complaint. The sign must have been moved prior to my arrival as no sign was located at the intersection. This case is unfounded. RL
