Dear Chairman May:

After much deliberation and prayer, I have decided to offer my resignation. Please take this letter as my intent to leave County employment effective July 12, 2019. I have thoroughly enjoyed my years with the County and will miss the incredibly hardworking and talented employees. They are of the finest caliber, and I have always admired all they accomplish every day.

I find it difficult to continue performing my duties in a place where allegations of any variety can be made and reputations ruined before an individual is allowed to answer for the charges against them. Behind all the immediate distractions, I know the county is a better place than that.

I would like to extend my personal thanks to Jack Brown, Alison Rogers, Matt Coughlin and all the directors who work so hard every day to fulfill all of the Board's directions. They have been a great strength in the organization. I will work as long as you see fit to ensure a smooth transition and wish you the warmest personal regards.

Sincerely,

A handwritten signature in blue ink that reads "Amy Lovoy".
