RE: Pensacola International Airport

Dear Dr. Lanza,

Upon conversations with Dan Flynn yesterday, it is my understanding that you are the institution that would be in charge of quarantining air passengers. Per the Governor's latest directive, I am authorizing you to take whatever measures you need to institute quarantines and any other appropriate measures at the Pensacola International Airport.

Please let Dan and I know how you intend to accomplish this. Thank you for your time and assistance.

Sincerely,
