August 6, 2020

Florida Elections Commission,

My name is Michelle Salzman and I am a Republican Candidate for Florida House, District One. I am running against the incumbent, Mike Hill in the Florida Primary.

On August 4th, 2020, I was contacted by a concerned voter who stated they heard I wanted to de-fund the police. Upon further investigation I learned that this information came from a mailed post card.

Once I received a copy of this post card, I saw that it did say I want to defund the police and that I was a Liberal. Further, it inferred that my opponent, Mike Hill, was endorsed by the police. This allegation is in quotes (see mailer included)

I researched who paid for the mailed political piece and found it was through a PAC called "Protect Conservative Values," chaired by my opponent, Mike Hill.

This mailer that was sent out by opponent wasn't sent to just star voters, it was sent to **thousands**, even democrats received the mail piece. I have received dozens, if not a hundred, calls, texts emails and face to face inquiries about my willingness to defund the police. People are mad that I lied to them. They believe this incumbent to be telling the truth.

As a first-time candidate, I have worked for over a year, knocking on over 13,000 doors trying to meet voters and earn their trust. I have spent thousands of dollars, driven thousands of miles, and put in countless hours of work. Further, I am **ENDORSED BY the Police Benevolent Association** and serve on the *Crime Stoppers* board as well as other boards with direct relationships with our Law Enforcement.

My platform is SAFETY, infrastructure, and education. THIS IS MY ENTIRE PLATFORM. I had momentum, the polls showed me in the lead and he used this attack piece to try and win the primary. As an incumbent, and a politician for eight years, he knew what he was doing.

To be clear, I have **never in my life** said nor hinted at the notion that I want to de-fund the police, nor have I ever been a democrat (lifelong republican). This attack piece that my opponent did, is a direct lie. A direct violation of Florida Statue, and absolute slander.

I have attached some screen shots of things to show that I am not in support of de-funding the police. I have included my endorsements by the Police Benevolent Association, and our current Chief of Police, Tommi Lyter.

Here are some links for you to confirm my stance as a supporter of the police and to keep funding as well as the fact that I am not a democrat:

Letter of Endorsement for Michelle Salzman, Republican Candidate, Florida House District One

I am honored to endorse community leader, Michelle Salzman, in her candidacy for State Representative. I have known Michelle for over a decade and I have always considered her to be a true public servant and advocate for our community. I consider her to be an effective leader who always has the best interest of the community in mind when making decisions. Michelle is hard working, kind, compassionate, and displays great character and moral values.

Michelle has been a great supporter of our first responders and as an Army Veteran I believe she has great insight as to what it means to put her life on the line for the sake of others.

It is for these reasons and more that I am confident that Michelle is the best choice for District One Representative for Florida House of Representatives.

Sincerely,

Tommi Lyter
