It is ridiculous how little respect people have for elected officials now. I am glad to have the opportunity to help out. I am sorry you all have to deal with all of this.

I donated because Commissioner Underhill needs to know that we are behind him 100%. He has never let D2 down, he has fulfilled all promises he made before being elected. I trust him to always do the right thing

This is my second donation of this campaign.

When I first became aware of this fund raiser, I immediately pledged \$50 as a token - I'm conservative with my financial information, and I wanted assurance that this money would indeed go to Commissioner Underhill's legal fund.

I very much admire Doug Underhill for his service to our County as well as his military service.

I'm not a wealthy man, but I will in the future make a larger financial contribution if the County fails to reimburse DU for his legal fees.

I admire Commissioner Underhill's "Damn the torpedoes, full speed ahead" commitment to our county. However, as a supporter, I would
