To Whom It May Concern,

It is my absolute pleasure to recommend Manda Moore for any position within your organization.

I was the Vice President of the Panhandle Animal Welfare Society Board of Directors when we made the decision to hire Manda Moore in 2017. During my time on the Board I was consistently impressed with her knowledge and expertise in fundraising, grant writing and sustainable programs.

I thoroughly enjoyed my time working with Manda and came to know her as a true valuable asset to our organization. She is honest, dependable, and incredibly hard-working. Beyond that, she increased our organization's fundraising gain of over two million in only two years. She is a true team player, and always manages to foster positive discussions and innovative ideas that bring out the best of an organization.

Without a doubt, I confidently recommend Manda Moore to join your team. I know that she will be a beneficial addition to your organization.
