Andy

being a voice of reason on the board.
After Thursday's Board meeting I am
sure our interactions will be a
minimum but I just wanted to
personally say that I appreciate you.
Thank you.

Yesterday's sentiment and comments
were not called for by members of
the Executive Committee. I found it
distasteful regardless of the intended
meaning. For what it's worth, I will be
having a conversation with the Board
on a few of these topics. Your skills
and competencies are clearly visible
in each interaction I've had with you
and I'm sure are appreciated from the
Board and Committee regardless of
thoughtless comments. Pensacola
HS is truly lucky to have you and
would not have weathered this ED
fiasco without you. I'm always here if
you have concerns or questions and
please remain focused and take time
for yourself. A vacation sounds like
it's in order soon.
