We came together as an organization and shined some light on the blatant misuse of restricted funding. We asked for transparency for our donors and our community and instead we were interrogated and bullied by our very own Board of Directors. Now, our focus is on collecting funding to hire a forensic accountant to preform an audit. We want to be transparent with our community because we all deserve nothing less! If you would like to make a donation towards the hire of a forensic accountant, please do so through the GoFundMe <https://www.gofundme.com/c697-pensacola-humane>.
