As the head of the city recognized to receive service of process, I should be informed of the complaint you referenced last night. I request a copy.

I was a partner at a Birmingham firm where I specialized for almost a decade in labor and employment defense. I worked on L&E CLE for 15 years for an ABA committee. I can be of service in the risk analysis.

Milton is my hometown and protecting Milton must come before the irreparable harm that has occurred in our professional relationships. Can you both set your feelings aside for the purpose of sharing information with me consistent with my role under the charter?

Sincerely,  
Heather
