RE: City of Pensacola – Malcolm Yonge Demolition Project

This letter is being sent to you to serve as both a notification of impending demolition as well as to allow you the opportunity to contact us should you have any additional questions.

This project will begin demolition on or after Monday, March 4, 2024.

As you own property in close proximity to this work, it is the City's desire to keep residents informed and we definitely want to accommodate any concerns you may have both now and during demolition. We will make every effort to be considerate of the fact we're working in a residential area as well as ensure the contractor implements all necessary safety precautions onsite.

If you have any questions, or if we can be of assistance, feel free to contact us at 850-435-1755.

Sincerely,
City of Pensacola – Facilities Management Department
