Re: Request for 2nd Extension of Loan Repayment to the Town of Century

Dear Mayor and Town Council Members:

The Urban Development Center, Incorporated (The UDC) still has an outstanding balance of \$21,925.00 owed to the Town of Century from the original loan given to The UDC for \$61,925.00.

The UDC is formally requesting an extension to repay the remaining balance, originally due by March 31, 2024. We are now seeking an extension until May 31, 2024, citing continued slow financial receivables as the reason for the delay.

Thank you for your consideration of this matter. The Urban Development Center, Incorporated is committed to meeting its obligation of repayment to the Town of Century. In our view, it is critical to maintain clear communication and transparency throughout this process. If further information or actions are required, please don't hesitate to reach out to me at (850) 725-1712 or (850) 898-6620.

Sincerely,

Dr. Jessica A. Griffen,
