I understand that I am not to list a sitting Escambia County Commissioner as a reference and will not contact any Commissioner about this job posting. Should I list such reference, I understand my application will be rejected.

1 Yes

Do you have a master's degree in Library Science from an American Library Association accredited university; or a combination of education and/or experience equivalent to these requirements?

1 Yes

Do you have a minimum of seven years of professional work experience in a public library; or a combination of education and experience to fulfill the job duties?

1 Yes

Do you have at least five years of experience in a managerial/administrative role in a public library open to the public?

1 Yes

Please describe how you meet the education and experience requirements of this position, include job title (s), the number of years and your job duties as it relates to your qualifications for this position. Please be specific and provide details.

After receiving my master's in library science in 2006, I was hired as the primary cataloguer for WFPL's Technical Services department, where I managed other cataloguers. I was named head of Children's Services in 2013, where I supervised children's staff and coordinated programs across all branches. After serving as a school media specialist for many years, I became the Escambia County School District's Coordinator of Media Services in 2023, overseeing school libraries and coordinating media services for the school district. See my resume and cover letter for further details.

Are you a current internal Escambia County BCC employee? (For recruitment purposes temps, volunteers and contract employees are considered external applicants.)

2 No
