Lori,

The Library Board of Governance Bylaws do not authorize staff to respond to individual board members' requests for administrative tasks. However, since your request appears to fall under Florida's public records law, I will treat it as a public records request.

Please direct all future public records inquiries to me as Interim Director so we can maintain compliance with both state law and the Board's bylaws.

Respectfully,

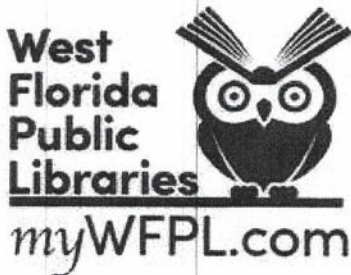

Christal Bell-Rivera

Interim Director, West Florida Public Libraries
