Subject: Invitation to Attend West Florida Public Library Governance Board Meeting

Dear Mr. Moreno,

I hope this message finds you well. As Chair of the West Florida Public Libraries Board of Governance, I am writing to invite you—or a knowledgeable representative from your office—to attend our next Governance Board meeting on Monday, September 22, at 4:00 p.m. at the Bellview Library.

The Board would greatly appreciate clarification regarding several important matters following the recent resignation of the Library Director:

1. The process for appointing a new Library Director;
2. The anticipated timeline for this process;
3. The defined responsibilities of the Governance Board in relation to these actions.

Both Resolution R2013-17, creating the Board of Governance, and our Bylaws explicitly allocate a role to the Board in the hiring and appointment process, and we would like to ensure that our responsibilities are being carried out in accordance with those provisions.

Your guidance will help us move forward in a manner consistent with both county policy and the governance framework under which we operate.

Thank you for your attention to this matter. We look forward to your participation and to the opportunity for constructive discussion.

Sincerely,

Dr. K. Blaine Wall

Chair

West Florida Public Libraries Board of Governance
