ECUA Lifts Precautionary Boil Water Notice for Most of Mainland Escambia County, All of Perdido Key; Some Addresses Remain Under Notice

PENSACOLA, Fla. — The Emerald Coast Utilities Authority has lifted the precautionary boil water notice for most of mainland Escambia County, including Perdido Key, following the impacts of Hurricane Isaias.

The precautionary boil water notice remains in effect for Pensacola Beach, which is expected to be lifted by Wednesday, pending confirmation that water quality meets applicable requirements.

Important: Some mainland addresses remain under the precautionary boil water notice. Customers at the addresses listed below must continue following the boil water notice until ECUA announces that it has been lifted for their location. Customers at the addresses listed below will be notified via door hanger messaging.

ECUA will provide updates as additional areas are cleared. Customers whose addresses remain on the list should continue to follow boil water precautions until ECUA issues an official notice lifting the advisory for their location.

Customers can visit [ECUA.fl.gov](https://www.ecua.fl.gov) and following ECUA social media channels for updates and additional information.

ECUA appreciates the community's patience and cooperation as crews continue working to restore normal water service and ensure the safety of the water system following Hurricane Isaias.
